

Congratulations on your pregnancy!

Life Healthcare in partnership with the Government Employees Medical Scheme (GEMS) invite you to enjoy this amazing venture in your *life* with the Little Life Maternity Programme.

WHAT YOU CAN LOOK FORWARD TO ON THE LITTLE LIFE MATERNITY PROGRAMME:

- Easy enrolment on the GEMS maternity programme, whereafter you will be directed to a Life Healthcare hospital and network specialist.
- Access to the GEMS Maternity Programme offering.
- Easily accessible antenatal clinics and doctor consultation rooms that work on an appointment basis.
- Care according to your risk profile and immediate referral if your risk changes or complications present.
- Timely, well-planned and well-communicated maternity care by midwives and obstetricians, where you, our patient and your family are at the centre of care.
- Included in our programme are obstetric ultrasounds, blood tests, nutritional supplements and antenatal classes.
- You will receive a Life Healthcare Little Life baby bag when you deliver.

For more information about the GEMS Maternity Programme contact 0860 00 4367 or email enquiries@gems.co.za.
