

HIGHER CERTIFICATE IN NURSING (1 year programme)

(SANC Regulation R.169)

Core Purpose of Programme

- Prepare student with necessary knowledge, skills and attitude to function as a clinically focused, service oriented, independent nurse practitioner, able to render competent nursing care determined by the appropriate scope of practice.
- Provide the student with the necessary scientific knowledge, clinical practice and interpersonal skills.
- Socialise the student into the profession to demonstrate the appropriate attitude, behaviour and image of the profession and uphold the ethical and legal codes that govern professional practice.
- On completion of the South African Nursing Council (SANC) professional registration exam, the student will be able to register with the South African Nursing Council (SANC), as an Auxiliary Nurse and will be able to enroll in further higher education studies in nursing.

Application Process

- Applications must be submitted to the relevant learning centre between June and August annually.
- Proof of non-refundable administration fee, plus required supporting documentation listed in the application form to be submitted.
- All applicants will follow the college selection process.
- Incomplete applications will not be considered.
