

LIFE HEALTHCARE HUMAN RESEARCH ETHICS COMMITTEE

All applicants requesting permission to conduct their research study at Life Healthcare facilities must check the submission dates and:

1. First read the SOP 4 for the Review of research proposals in the SOP document on the website.
2. Complete the HREC application and risk assessment forms and submit together with the final research proposal together with all its attachments and ethics clearance letter.
3. Attach a shortened, narrative, curriculum vitae for researcher and supervisor (if the study is for qualification purposes).
4. Forwarded all documents to Research@lifehealthcare.co.za
